Utility Service Partners signs agreement with PlusOne Solutions to manage compliance

Canonsburg, PA – [Utility Service Partners, Inc.](#) (USP) is proud to partner with [PlusOne Solutions](#) to provide a Safe Contracting Program including the management of insurance and licenses plus background/drug screen verification and assessment for all USP Contractor Network partners across the nation.

“We are pleased to be working with PlusOne Solutions,” said Joe Tarby, Manager of Business Development. “Our contractors are the face of our company in the field and we want to be sure we partner with the best in the industry for the safety and security of our customers.”

PlusOne Solutions is a recognized industry leader in quality standards, providing comprehensive individualized screening services and ensuring proper insurance and license coverage for all local contractors prior to entry into the USP Contractor Network and onto a client’s property. Screenings consist of a thorough background check, nine-panel drug screen and a motor vehicle record review.

“Consumers expect contract workers in all industries who enter their homes to be experienced, licensed, capable, skilled and insured, and also to not pose a risk to the consumers or their families,” says Craig Reilly, CEO of PlusOne Solutions. “This agreement with USP confirms to its customers that the contractors in its network have been thoroughly screened and meet all the compliance standards.”

This partnership will help USP ensure that only trusted, respected and professional contractors are dispatched to a customer’s home to represent our brand with honesty and integrity. This partnership will also ensure we continue to strive for the highest expectations from our contractor network and provide first-class customer service for all claims.
